ISRA

IKRAM SKILLS AND RETRAINING ACADEMY

ABOUT COMPANY

Ikram Skills Academy Sdn Bhd is one of the subsidiaries of Ikram Works Sdn Bhd foundation and expertise in Infrastructure and Engineering.

ISASB provides comprehensive training programme that covers Engineering, Information Technology, Mainstream Management and other Industry Relevant Courses.

These courses may also be customised to client' need. ISASB has a team of experienced, and qualified trainers for all of its programmes. It also has a fully equipped training rooms, engineering workshop, computer labs, multi-media labs, auditorium and multipurpose hall. Not only that, it also provides Sport and Recreational facilities, hostels and cafes for it participants. As a certified ISO 9001:2008 Training Provider, Ikram Skills Academy Sdn Bhd (ISASB) aims to be the Premier Engineering and Technology Training Centre in the region.

Vision

To be the centre of excellence for total training solutions.
"Total Integrated Capacity Building Solutions Provider"

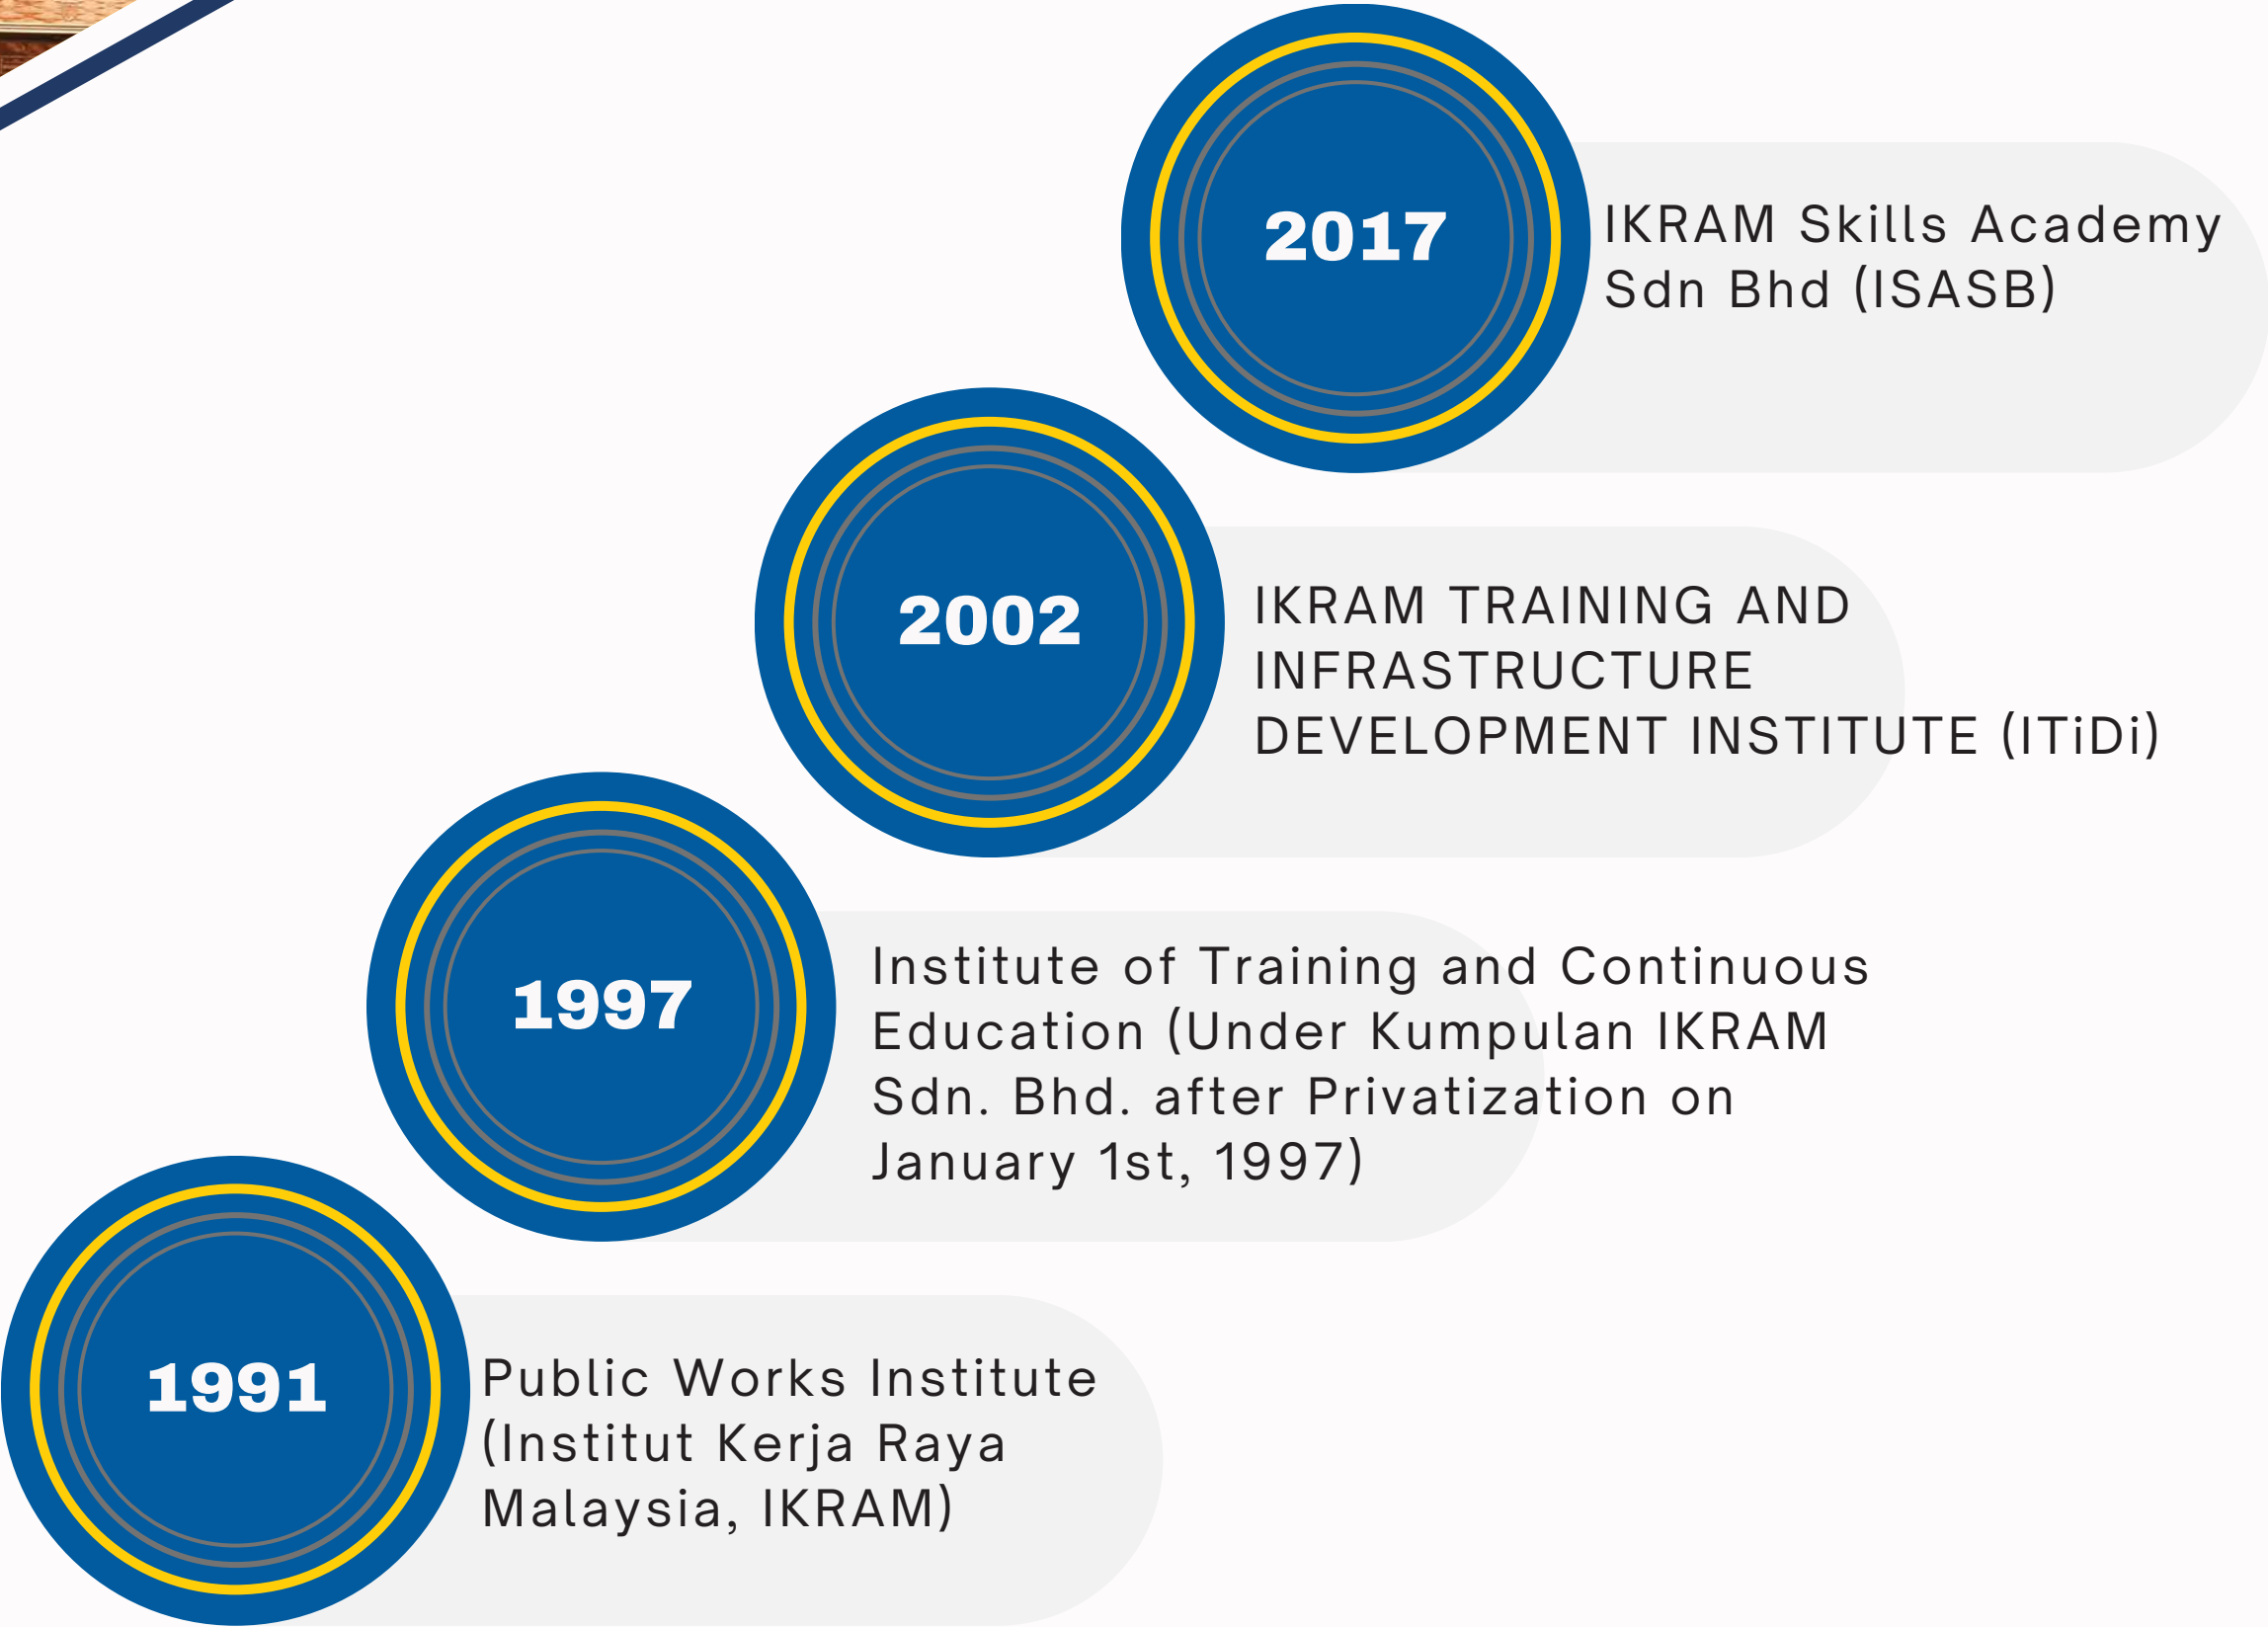

Mission

To excel in our business areas, we need to : Brand the Company & Product locally & internationally. Be a “ Total integrated training solutions provider”. Enhance business profitability under 3 Core Business Sectors : Corporate (private & government) training, Skills training and Total training logistics management. Inculcate Core Values towards corporate culture. Continual upgrade training-related infrastructure.

Milestone

Today we has evolved to become amongst the few training centre in Malaysia capable of providing "Centre of Engineering Solution"
